BRIEF ABSTRACT OF LETTER.

Reports the results of the action taken under section 60 of the Munic: Regn for enhancing the rate of slaughter house fees in the City, and requests sanction to the introduction of the enhanced rate of fees previously recommended by him.

and that on Butchers from 2 annas to six annas. The Municipal Council have published the necessary notice in the Ellapore Gazette. The only objection received is from some of the butchers of the market stalls. The Health Committee had originally recommended the enhancement of the fees see no grounds to alter the rates already recommended by them & the Municipal Council approve of their recommendation. In fact it is on the understanding that the Municipal Council would realize more revenue from the slaughter house fees by revising the rates that a Veterinary Inspector on Rs 30 + 10 cycle allowance was sanctioned for the Municipality. It has been already submitted in Rl. file 91-1910 that the proposed rates were not exorbitant. In these circumstances draft order sanctioning the enhanced rates of fees is submitted.
